WIT & WISDOM®

ABOUT *WIT & WISDOM*

Wit & Wisdom® is a Kindergarten through Grade 8 English language arts (ELA) curriculum created by Great Minds®, an organization that brings together teachers and experts who believe all students deserve access to rich, rigorous content. With *Wit & Wisdom*, every text a student explores is authentic and of the highest quality. Students use these texts at every turn—to learn, and eventually master, essential reading, writing, speaking, listening, grammar, and vocabulary skills. Instead of basals, students read books they love to build knowledge of important topics and to develop and refine literacy skills. All students read and discuss grade-level texts, and the curriculum includes suggestions for supporting this learning at key moments in the lessons.

Wit & Wisdom is composed of four modules per grade level. Each artfully explores a specific topic to develop depth of understanding and inspire curiosity. The core of each module is a selection of literary works, informational texts, and visual art. Modules are made up of approximately 30 lessons that are covered in six to eight weeks. All modules integrate reading, writing, speaking, listening, and language instruction.

Wit & Wisdom integrates ELA strands so that students read to learn; the curriculum does not systematically teach the youngest students to learn to read. For structured foundational skills instruction, *Wit & Wisdom* teacher–writers recommend that early elementary educators use *Wit & Wisdom* alongside a proven, research-based foundational skills program.

HIGH RATINGS

The independent, nonprofit reviewer EdReports.org gives *Wit & Wisdom* top ratings for text quality, building knowledge, and usability. *Wit & Wisdom* is the only ELA resource to receive a Tier 1 designation for all grades, Kindergarten through Grade 8, from the Louisiana Department of Education.
