

Name: _____

Assessment 29A:

Focusing Question Task 4

Directions: Write an informative paragraph with change to answer the Focusing Question:

“How does *Sky Tree* show the cycle of seasons?”

Include the following in the paragraph response:

- A topic statement.
- At least three sentences with evidence.
- The words *first*, *then*, and *finally*.
- A conclusion.

Complete these steps:

- 1: Record evidence on the Evidence Organizer Chart.
- 2: Write your informative paragraph with change.
- 3: Check your writing using the Informative Writing Checklist.
