

This alignment provides an at-a-glance picture of how decodable each Geodes® book is when paired with the *Into Reading* instructional sequence.

For books with lower decodability scores, consider previewing the book and pre-teaching the included phonics concepts that students have not yet encountered. For example, patterns that would increase decodability are as follows:

- Level 1 Module 1—the digraphs: *ch, th, wh*; suffix: *-s*
- Level 1 Module 2—the final blends: *ng, nk*
- Level 2 Module 2—the inflectional endings: *-ed, -ing*; glued sound: *-all*; *R-controlled*: *or, er*

In addition, words that occur repeatedly may be provided to students as support. For example, pre-teaching or providing the following words would aid students reading the books from these modules:

- Level 1 Module 1—*no, or, that, and them*
- Level 2 Module 1—*all, could, day, many, my, of, people, they, and was*
- Level 2 Module 2—*could, from, our, out, people, there, they, and would*

LEVEL K: *Into Reading* + Geodes

Modules 1 and 2 of Level K Geodes include Wordless Picture Books to boost students' knowledge of story structure and vocabulary and Sound Search Books to grow students' letter-sound awareness. Since students are not yet decoding words in these Geodes books, the alignment for these modules has been omitted.
