

## GUIDED OBSERVATIONS FOR LEADERS AGENDA

### OVERVIEW

In this session, selected leaders participate in classroom observations with a *PhD Science*® coach to identify trends of implementation including celebrating successes and identifying areas of growth. Participating in this session improves instructional leaders' ability to support effective classroom practice.

### SESSION OBJECTIVES

Participants will

- understand key indicators of quality science instruction,
- analyze classroom instruction,
- craft strategic feedback,
- make general conclusions about *PhD Science* implementation in the school and/or district, and
- identify next steps to further support implementation.

AGENDA	DESCRIPTION
Pre-Observation Conference	<ul style="list-style-type: none"><li>• Discuss the purpose of the observations</li><li>• Review the lesson(s) to be observed</li><li>• Analyze the observation tool</li></ul>
Classroom Observations	<ul style="list-style-type: none"><li>• Visit classrooms according to a pre-determined schedule</li><li>• Use the observation tool to document key indicators present</li></ul>
Post-Observation Conference	<ul style="list-style-type: none"><li>• Analyze trends based on data collected</li><li>• Collaboratively develop transformative feedback</li><li>• Identify opportunities for growth</li><li>• Determine next steps to support implementation</li></ul>
