

**PROFESSIONAL
DEVELOPMENT**

Y1 Teacher Session II: 60 mins **Concept Development & Student Debrief**

Session Objectives

By the end of this session, participants will accomplish the following:

- Understand the structure and purpose of the Concept Development & Student Debrief
- Analyze how the Concept Development & Student Debrief align with the Math RBIS
- Practice the preparation process and instructional strategies so that lessons are clear, concise, and connected

Component	Activities
Overview	<ul style="list-style-type: none"> • Norms and learning objectives of this session
Clear, Concise, and Connected	<ul style="list-style-type: none"> • Connect today's learning to the lesson internalization protocol
Concept Development	<ul style="list-style-type: none"> • Alignment between Concept Development and the RBIS • Internalization of a Concept Development • Problem Set component within Concept Development
Student Debrief	<ul style="list-style-type: none"> • Student Debrief aligns to the RBIS • Internalization of Student Debrief
